

**TOWN OF TURNER VALLEY  
CONSOLIDATED FINANCIAL STATEMENTS  
DECEMBER 31, 2022**

## **Management's Responsibility**

To the Members of Council of the Town of Turner Valley:

Management is responsible for the preparation, accuracy, objectivity, integrity, and presentation of the accompanying consolidated financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required. Management believes that the consolidated financial statements present fairly the Town's financial position as at December 31, 2022 and the results of its operations for the year then ended.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of consolidated financial statements.

Council is composed entirely of individuals who are neither management nor employees of the Town. Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the consolidated financial statements. Council fulfills these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. Council is also responsible for recommending the appointment of the Town's external auditors.

MNP LLP is appointed by Council to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both Council and management to discuss their audit findings.

## Independent Auditor's Report

### To the Members of Council of the Town of Turner Valley:

#### *Opinion*

We have audited the consolidated financial statements of Town of Turner Valley (the "Town"), which comprise the consolidated statement of financial position as at December 31, 2022, and the consolidated statements of operations, accumulated surplus, changes in net financial assets and cash flows and the related schedules I to VI for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory notes.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Town as at December 31, 2022, and the results of its consolidated operations, changes in its net financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

#### *Basis for Opinion*

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Town in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### *Other Matter*

During the current year, the Town entered into an amalgamation agreement with the Town of Black Diamond, which was effective on January 1, 2023. As a result, the financial statements for the year ended December 31, 2022, represent the financial position and operations of the Town prior to the amalgamation. The impact of the amalgamation on the Town's financial position and operations will be reflected in the financial statements for the year ended December 31, 2023. The Town's management is responsible for ensuring that the financial statements for the year ended December 31, 2023, properly reflect the effects of the amalgamation in accordance with the Public Sector Accounting Standards (PSAS). The auditor's report for the year ended December 31, 2023, will include an opinion on the financial statements, including any adjustments required as a result of the amalgamation.

#### *Responsibilities of Management and Those Charged With Governance for the Consolidated Financial Statements*

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Town's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Town or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Town's financial reporting process.

### ***Auditor's Responsibilities for the Audit of the Consolidated Financial Statements***

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Town's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Town to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Town to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### **Report on Other Legal and Regulatory Requirements**

- Debt Limit Regulation:  
In accordance with Alberta Regulation 255/2000, we confirm that the Town is in compliance with the Debt Limit Regulation. A detailed account of the Town's debt limit can be found in note 9.
- Supplementary Accounting Principles and Standards Regulation:  
In accordance with Alberta Regulation 313/2000, we confirm that the Town is in compliance with the Supplementary Accounting Principles and Standards Regulation and note the information required can be found in note 14.

**Town of Turner Valley**  
**Notes to the Consolidated Financial Statements**  
For the year ended December 31, 2022

---

**1. SIGNIFICANT ACCOUNTING POLICIES**

The consolidated financial statements of the Town of Turner Valley (the "Town") are the representations of management prepared in accordance with generally accepted accounting principles for local governments established by the Public Sector Accounting Board of the Canadian Institute of CPA Canada. Significant aspects of the accounting policies adopted by the Town are as follows:

**a) Reporting entity**

The consolidated financial statements reflect the assets, liabilities, revenue and expenses, and changes in financial position of the reporting entity. This entity is comprised of the municipal operations plus all of the organizations that are owned or controlled by the Town and are, therefore, accountable to the Town for the administration of their financial affairs and resources. The consolidated financial statements also include the Town's 45% ownership of the assets, liabilities, revenue and expenses of the Sheep River Regional Utility Corporation ("SRRUC") after the inter-entity transactions have been eliminated.

The Town is a member of various other boards, commissions and other organizations that are not part of the municipal reporting entity, including the Westend Regional Sewage Services Commission.

Taxes levied also includes requisitions for educational, health care, social and other external organizations that are not part of the municipal reporting entity.

The consolidated financial statements exclude trust assets that are administered for the benefit of external parties. Interdepartmental and organizational transactions and balances are eliminated.

**b) Basis of accounting**

The consolidated financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon receipt of goods or services and/or the legal obligation to pay.

Funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenue until used for the purpose specified.

**c) Measurement uncertainty (use of estimates)**

The preparation of consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenue and expenses during the period. Where measurement uncertainty exists, the consolidated financial statements have been prepared within reasonable limits of materiality. Actual results could differ from those estimates.

The area which requires management to make significant judgements, estimates and assumptions in determining carrying values include, but are not limited to:

**i) Amortization**

Tangible capital assets are amortized on a straight-line basis over their estimated useful lives. Management reviews useful lives and residual values of the depreciable assets at each reporting date, based on the expected utilization of the assets by the company. Significant judgement is involved in the determination of useful life and residual values will not differ significantly from current assumptions.

**ii) Allowance for doubtful accounts**

Trade and other accounts receivable are stated after evaluation as to their collectibility and an appropriate allowance for doubtful accounts is provided where considered necessary.

**Town of Turner Valley**  
**Notes to the Consolidated Financial Statements**  
For the year ended December 31, 2022

---

**1. SIGNIFICANT ACCOUNTING POLICIES (continued from previous page)**

**d) Valuation of financial assets and liabilities**

The Town's financial assets and liabilities are measured as follows:

<u>Financial statement component</u>	<u>Measurement</u>
Cash	Cost and amortized cost
Trade and other receivables	Lower of cost or net recoverable value
Investments	Amortized cost
Accounts payable and accrued liabilities	Cost
Deposit liabilities	Cost
Long-term debt	Amortized cost

**e) Investments**

Investments are recorded at amortized cost. When there has been a loss in value that is other than a temporary decline, the respective investment is written down to recognize the loss.

**f) Long-term debt**

Long-term debt is initially recognized net of any premiums, discounts, fees, and transaction costs, with interest expense recognized using the effective interest method. Long-term debt is subsequently measured at amortized cost.

**g) Requisition over-levy and under-levy**

Over-levies and under-levies arise from the difference between the actual property tax levy made to cover each requisition and the actual amount requisitioned.

If the actual levy exceeds the requisition, the over-levy is accrued as a liability and property tax revenue is reduced. Where the actual levy is less than the requisition amount, the under-levy is accrued as a receivable and as property tax revenue.

Requisition tax rates in the subsequent year are adjusted for any over-levies or under-levies of the prior year.

**h) Inventories for resale**

Land held for resale is recorded at the lower of cost or net realizable value. Cost includes costs for land acquisition and improvements required to prepare the land for servicing such as clearing, stripping and leveling charges. Related development costs incurred to provide infrastructure such as water and wastewater services, roads, sidewalks and street lighting are recorded as physical assets under the respective function. Proceeds from sales of land held for resale are recorded as revenue in the period in which the events giving rise to the transfer occurred, providing the transfers are authorized, the eligibility criteria have been met and reasonable estimates of the amounts can be made.

**i) Revenue recognition**

Revenue from transactions with no performance obligation is recognized at realizable value when the Town has the authority to claim or retain an inflow of economic resources and identifies a past transaction or event giving rise to an asset. Revenue from transactions with performance obligations is recognized as the performance obligations are satisfied by providing the promised goods or services to the payor.

**j) Tax revenue**

The Town recognizes taxes as assets and revenue when they meet the definition of an asset, are authorized by Council, and the taxable event has occurred. Tax revenue is initially measured at Management's best estimate of the amount resulting from the original taxable event in accordance with legislation. The related tax receivable is initially recognized at its realizable value at the date of acquisition. At each financial statement date, the Town evaluates the tax receivable for collectibility and records a valuation allowance to reflect the tax receivable at its net recoverable amount, if necessary.

**Town of Turner Valley**  
**Notes to the Consolidated Financial Statements**  
For the year ended December 31, 2022

---

**1. SIGNIFICANT ACCOUNTING POLICIES (continued from previous page)**

**i) Revenue recognition (continued from previous page)**

**ii) Government transfers**

Government transfers are the transfer of assets from senior levels of government that are not the result of an exchange transactions, are not expected to be repaid in the future, or the result of a direct financial return.

The Town recognizes a government transfer as revenue when the event giving rise to the transfer occurs, the transfer is authorized, all eligibility criteria, if any, have been met, and reasonable estimates of the amounts can be determined. A government transfer with stipulations giving rise to an obligation that meets the definition of a liability is recorded as a liability. In such circumstances, the Town recognizes revenue as a liability is settled.

**iii) Other revenue**

User fees are recognized over the period of use, sales of goods are recognized when goods are delivered. Licenses and permits with a single performance obligation at a point in time are recognized as revenue on issuance, those which result in a continued performance obligation over time are recognized over the period of the license or permit as the performance obligation is satisfied. The Town accounts for all other revenue in the period in which the transactions or events giving rise to the revenue occurred and collectibility is reasonably assured.

**j) Contaminated sites liability**

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. The liability is recorded net of any expected recoveries. A liability for remediation of a contaminated site is recognized when all of the following criteria are met:

- an environmental standard exists;
- contamination exceeds the environmental standard;
- the Town is directly responsible or accepts responsibility;
- it is expected that the future economic benefits will be given up; and
- a reasonable estimate of the amount can be made.

The liability includes all costs directly attributable to remediation activities including post remediation operations, maintenance and monitoring.

It is management's assessment that no contaminated sites exist for the Town.

**Town of Turner Valley**  
**Notes to the Consolidated Financial Statements**  
For the year ended December 31, 2022

---

**1. SIGNIFICANT ACCOUNTING POLICIES (continued from previous page)**

**k) Non-financial assets**

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess of revenue over expenses, provides the Change in Net Financial Assets for the year.

**i) Tangible capital assets**

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis over the estimated useful life as follows:

	<u>Years</u>
Buildings	20 - 50
Engineered structures	10 - 65
Machinery and equipment	5 - 40
Vehicles	8 - 25

One-half of the annual amortization is charged in the year of acquisition and in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

**ii) Contributions of tangible capital assets**

Tangible capital assets received as contributions are recorded at fair value at the date of receipt and also are recorded as revenue.

**iii) Leases**

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

**iv) Inventories**

Inventories held for consumption are recorded at the lower of cost and replacement cost.

**v) Prepaid expenses**

Prepaid expenses include pre-payments on goods and services which will be utilized in the following fiscal year.

**I) Segmented information**

The Town conducts its business through a number of reportable segments. These operating segments are established by senior management to facilitate the achievement of the Town's long-term objectives to aid in resource allocation decisions, and to assess operational performance.

For each reported segment, revenue and expenses represent amounts that are directly attributable to the segments and amounts that are allocated on a reasonable basis. Therefore, certain allocation methodologies are employed in the preparation of segmented financial information. The accounting policies used in the segments are consistent with those followed in the preparation of the consolidated financial statements. For additional information, see the consolidated schedule of segmented disclosure (Schedule VI).

**Town of Turner Valley**  
**Notes to the Consolidated Financial Statements**  
For the year ended December 31, 2022

**2. CASH AND TEMPORARY INVESTMENTS**

	2022	2021
Cash	<b>4,137,116</b>	2,607,300

Temporary investments are short-term deposits with maturities of three months or less.

Included in cash and temporary investments and investments disclosed in note 5 are restricted amounts aggregating \$3,621,505 (2021 - \$3,285,025) to be used for specific capital and other projects, as disclosed in deferred revenue (note 6).

**3. TAXES AND GRANTS IN PLACE OF TAXES RECEIVABLE**

	2022	2021
Current taxes and grants in place of taxes	<b>166,008</b>	194,329
Arrears	<b>66,112</b>	53,347
	<b>232,120</b>	247,676

**4. TRADE AND OTHER RECEIVABLES**

	2022	2021
Trade and other receivables	<b>548,596</b>	963,323
Local improvement levies	<b>233,984</b>	256,996
Goods and services tax	<b>23,416</b>	92,422
Capital grants receivable	<b>214,248</b>	1,197,528
	<b>1,020,244</b>	2,510,269

**5. INVESTMENTS**

	2022	2021
Short-term notes and deposits	<b>2,210,428</b>	2,171,240
Long-term notes and deposits	<b>2,228,378</b>	2,173,659
	<b>4,438,806</b>	4,344,899

Short-term notes and deposits have effective interest rates of 1.90% to 4.70% (2021 - 0.25% to 2.60%) and mature in less than one year.

Long-term notes and deposits have effective interest rates of 3.10% (2021 - 1.15%) and mature in 2024.

The Town also administers \$62,807 (2021 - \$62,494) of short-term notes and deposits that represent funds held in trust for the benefit of external parties.

**Town of Turner Valley**  
**Notes to the Consolidated Financial Statements**  
For the year ended December 31, 2022

**6. DEFERRED REVENUE**

	2022	2021
Flood Recovery Erosion Control	2,582,735	2,563,221
Municipal Sustainability Initiative - Capital	806,992	519,498
Family and Community Support Services	-	9,365
Resident donations	26,277	26,277
Southern Alberta Flood Response Program	60,000	-
Other deferred revenue	145,501	166,664
	<b>3,621,505</b>	3,285,025

**7. EMPLOYEE BENEFITS OBLIGATIONS**

	2022	2021
Vacation and overtime	<b>81,082</b>	82,837

**Vacation and overtime:** The vacation and overtime liability is comprised of the vacation and overtime that employees are deferring to future years. Employees have either earned the benefits (and are vested) or are entitled to these benefits within the next budgetary year.

**8. LONG-TERM DEBT**

	2022	2021
Self supported debentures	<b>1,210,790</b>	1,330,989

The current portion of the long-term debt amounts to \$124,089 (2021 - \$116,449).

Principal and interest repayments are as follows:

	Principal	Interest	Total
2023	124,089	44,127	168,216
2024	114,707	40,145	154,852
2025	118,679	36,174	154,853
2026	96,857	32,167	129,024
2027	89,349	28,424	117,773
Thereafter	667,109	106,121	773,230
	<b>1,210,790</b>	287,158	1,497,948

Debenture debt is repayable to the Alberta Capital Finance Authority and bears interest at rates ranging from 1.497% to 4.950% (2021 - 1.497% to 4.950%) per annum, before Provincial subsidy, and matures in periods from 2023 through 2035. The average annual interest rate is 3.387% (2021 - 3.387%). Debenture debt is issued on the credit and security of the Town at large.

The Town of Turner Valley's total cash payments for interest on long-term debt is \$47,410 (2021 - \$50,853).

**Town of Turner Valley**  
**Notes to the Consolidated Financial Statements**  
For the year ended December 31, 2022

---

**9. DEBT LIMITS**

Section 276(2) of the *Municipal Government Act* requires that debt and debt limits as defined by Alberta Regulation 255/2000 for the Town of Turner Valley be disclosed as follows:

	2022	2021
Total debt limit	9,592,602	9,078,027
Total debt (Note 8)	(1,210,790)	(1,330,989)
Amount debt limit remaining	<u>8,381,812</u>	7,747,038
Debt servicing limit	1,598,767	1,513,005
Debt servicing	(168,216)	(168,216)
Service on debt limit remaining	<u>1,430,551</u>	1,344,789

The debt limit is calculated at 1.5 times revenue of the Town excluding transfers from the governments of Alberta and Canada for the purposes of capital property (as defined in Alberta Regulation 255/2000) and the debt service limit is calculated at 0.25 times such revenue. Incurring debt beyond these limitations requires approval by the Minister of Municipal Affairs. These thresholds are guidelines used by Alberta Municipal Affairs to identify municipalities which could be a financial risk if further debt is acquired. The calculation taken alone does not represent the financial stability of the municipality. Rather, the consolidated financial statements must be interpreted as a whole.

**10. EQUITY IN TANGIBLE CAPITAL ASSETS**

	2022	2021
Tangible capital assets (Schedule II)	72,958,865	72,828,394
Accumulated amortization (Schedule II)	(29,834,092)	(28,148,866)
Long-term debt issued for capital purposes (Note 8)	(1,210,790)	(1,330,989)
	<u>41,913,983</u>	43,348,539

**11. ACCUMULATED OPERATING SURPLUS**

Accumulated operating surplus consists of internally restricted and unrestricted amounts and equity in tangible capital assets as follows:

	2022	2021
Unrestricted surplus	918,528	933,836
Internally restricted surplus (Note 13)	4,011,391	4,174,644
Equity in tangible capital assets (Note 10)	41,913,983	43,348,539
	<u>46,843,902</u>	48,457,019

**Town of Turner Valley**  
**Notes to the Consolidated Financial Statements**  
For the year ended December 31, 2022

**12. SEGMENTED DISCLOSURE**

The Town of Turner Valley provides a range of services to its ratepayers. For each reported segment, revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements as disclosed in Note 1.

Refer to the Schedule of Segmented Disclosure (Schedule VI).

General government includes council and other legislative, and general administration. Protective services includes bylaw enforcement, police, and fire. Transportation includes roads, streets, walks, and lighting. Planning and development includes land use planning, zoning and subdivision land and development. Public health and welfare includes family and community support. Recreation and culture includes parks and recreation, libraries, museums and halls. Environmental services, use and protection includes water supply and distribution, wastewater treatment and disposal, and waste management. Sheep River Regional Utility Corporation, subsidiary that provide utility services, Town proportionately consolidates its 45% ownership.

**13. RESERVES**

Council has set aside funds as an internal allocation of accumulated surplus as follows:

	Balance Beginning	Net Change	Balance Closing
<b>Operating<sup>1</sup></b>			
Election/Census	2,736	5,000	<b>7,736</b>
Amalgamation	-	264,328	<b>264,328</b>
Snow removal	50,252	-	<b>50,252</b>
Land use bylaw	13,044	-	<b>13,044</b>
Tax stabilization	334,007	(49,864)	<b>284,143</b>
Unallocated	329,286	(243,093)	<b>86,193</b>
Utility stabilization	240,279	75,000	<b>315,279</b>
Bin Replacement	-	8,033	<b>8,033</b>
	<b>969,604</b>	<b>59,404</b>	<b>1,029,008</b>
<b>Capital<sup>1</sup></b>			
Offsite levies	1,338,911	-	<b>1,338,911</b>
Capital reserves - asset replacement	1,714,399	(217,586)	<b>1,496,813</b>
Capital reserves - unallocated	151,730	(5,071)	<b>146,659</b>
	<b>3,205,040</b>	<b>(222,657)</b>	<b>2,982,383</b>
	<b>4,174,644</b>	<b>(163,253)</b>	<b>4,011,391</b>

1. One of the conditions of the amalgamation (see note 19) as agreed upon by the Town of Black Diamond and Town of Turner Valley is that both Councils agreed to move funds from unallocated to allocated for specific purposes going forward. Upon amalgamation, the Town of Diamond Valley Council will have the discretion to re-allocate these reserves as needed.

**Town of Turner Valley**  
**Notes to the Consolidated Financial Statements**  
For the year ended December 31, 2022

---

**14. SALARY AND BENEFITS DISCLOSURE**

Disclosure of salaries and benefits for elected municipal officials, the chief administrative officer and designated officers as required by Alberta Regulation 313/2000 is as follows:

	Salary <sup>1</sup>	Benefits & allowances <sup>2</sup>	2022	2021
Mayor B. Crane	29,828	4,636	<b>34,464</b>	35,130
Councillors:				
Councillor J. Waring	23,174	4,609	<b>27,783</b>	25,133
Councillor L. Hamilton (2021 - 9 months)	-	-	-	19,194
Councillor J. Gordon	19,424	893	<b>20,317</b>	20,436
Councillor G. Raab	20,624	-	<b>20,624</b>	20,424
Councillor C. Holladay	19,824	5,600	<b>25,424</b>	25,021
Councillor J. Wilkie (2021 - 9 months)	-	-	-	14,621
Councillor C. Dixon (2021 - 3 months)	19,674	5,486	<b>25,160</b>	5,566
Councillor H. Martin (2021 - 3 months)	19,774	5,866	<b>25,640</b>	5,607
Administrator (12 months) (2021 - 12 months)	140,489	25,492	<b>165,981</b>	203,004
Designated officers (3 positions) (2021 - 3)	131,015	25,669	<b>156,684</b>	210,390

1. Salary includes regular base pay, bonuses, overtime, lump sum payments, gross honoraria, mileage allowances and any other direct cash remuneration.
2. Benefits and allowances include the employer's share of all employee benefits and contributions or payments made on behalf of employees including pension, health care, dental coverage, vision coverage, group life insurance, accidental disability and dismemberment insurance, long and short-term disability plans, professional memberships and tuition. Benefits and allowances figures also include the employer's share of the costs of additional taxable benefits including special leave with pay, financial and retirement planning services, concessionary loans, and travel allowances.

**Town of Turner Valley**  
**Notes to the Consolidated Financial Statements**  
For the year ended December 31, 2022

**15. CONTINGENCIES**

The Town is a member of the Alberta Municipal Insurance Exchange ("MUNIX"). Under the terms of the membership, the Town could become liable for its proportionate share of any claim losses in excess of the funds held by the exchange. Any liability incurred would be accounted for as a current transaction in the year the losses are determined.

**16. COMPARATIVE FIGURES**

Certain comparative figures have been reclassified to conform with current year presentation.

**17. FINANCIAL INSTRUMENTS**

The Town's financial instruments consist of cash and temporary investments, accounts receivable, investments, accounts payable and accrued liabilities, deposit liabilities, and long-term debt. It is management's opinion that the Town is not exposed to significant interest rate or currency risks arising from these financial instruments. Tax receivables and requisition over/under-levy are compulsory in nature, rather than contractual, however, the Town manages risk exposure on these items similar to other receivables and payables.

The Town is subject to credit risk with respect to taxes and grants in place of taxes receivables and trade and other receivables. Credit risk arises from the possibility that taxpayers and entities to which the Town provides services may experience financial difficulty and be unable to fulfill their obligations. The large number of diversity of taxpayers and customers minimizes the credit risk.

**18. BUDGET INFORMATION**

The disclosed budget information has been approved by Council on December 15, 2021. The following is a reconciliation between the budget approved and that showing in the consolidated financial statements. Adjustments represent required changes for items that do not meet the criteria for recognition within the financial statements prepared in accordance with public sector accounting standards.

	Approved Budget	Adjustment	Financial Statements
Approved operating revenue budget (Town)	5,946,735	-	5,946,735
SRRUC (Town's 45% ownership)	488,790	-	488,790
Operating draw from reserves	-	(49,864)	(49,864)
 Operating revenue budget on the Statement of Operations	 6,435,525	 (49,864)	 6,385,661
  Approved operating expense budget	 5,839,535	 -	 5,839,535
SRRUC (Town's 45% ownership)	308,543	-	308,543
Repayment of long-term debt	107,200	(107,200)	-
 Operating expense budget on the Statement of Operations	 6,255,278	 (107,200)	 6,148,078
 Excess of Revenue over Expenses on the Statement of Operations	 180,247	 57,336	 237,583
Amortization of tangible capital assets	95,895	-	95,895
Acquisition of tangible capital assets	(1,026,000)	-	(1,026,000)
 Decrease in Net Financial Assets on the Statement of Change in Net Financial Assets	 (749,858)	 57,336	 (692,522)

**Town of Turner Valley**  
**Notes to the Consolidated Financial Statements**  
For the year ended December 31, 2022

---

**19. SUBSEQUENT EVENT**

Subsequent to the fiscal year end, effective January 1, 2023, the Town of Turner Valley and the Town of Black Diamond amalgamated to form the Town of Diamond Valley. As a result of the amalgamation, the financial statements for the year ended December 31, 2022, represent the separate financial statements of the Town of Turner Valley prior to the amalgamation.

**20. APPROVAL OF CONSOLIDATED FINANCIAL STATEMENTS**

Council and management have approved these consolidated financial statements.
