

AMALGAMATION NEGOTIATIONS

January 2021 Update

Progress:

The Joint Friendship Agreement Committee (JFAC) met and received updates from all four subcommittees (Public/Stakeholder Consultation Strategy; Finance; Emergency Services and Procedures). All subcommittees have progressed with defining their scope and have requested the information required to ensure amalgamation discussions and decisions will be highly informed. The name of the consultation subcommittee was changed to Public/Stakeholder Consultation Subcommittee.

JFAC provided direction that reports prepared for amalgamation negotiations should assume future service levels will be consistent with current levels.

The draft Engagement Strategy was reviewed, and the overall engagement approach is supported by JFAC. The Strategy will be finalized and released to staff, the public and Municipal Affairs in early February.

If you have a question about the amalgamation, please email either:
