#### 2. First Election

- JFAC agreed to support the potential amalgamation application recommending that the first election for the amalgamated municipality would occur in Q4 of 2022.

#### 3. Interim Council

- JFAC agreed to support that should an amalgamation application proceed with the first election in Q4 2022, no interim council will be required.

#### 4. Intermunicipal Collaboration Framework (ICF) Extension

- JFAC agreed to support including in the potential amalgamation application a confirmation that the ICF deadline has been previously extended until April 1, 2022, and if the amalgamation application is submitted, the Towns will request an adjusted deadline for an ICF between the new municipality and Foothills County.
