#### **COMMUNITY NOTES**

##### **Criminal Record Checks**

As summer draws to an end, everyone is going back to work from vacation, getting ready for school, and preparing to volunteer in the fall. A lot of these will require a criminal record check to be completed. A few notes to remember about getting a criminal record check.

1. You must attend the detachment which covers your area. The Turner Valley RCMP covers all of Foothills County with the exception of the town of Okotoks and the town of High River.
2. You must physically attend the detachment to fill out the form requesting a criminal record check with two pieces of valid government issued ID. Only one must be a photo ID. Your driver license must have your current address.
3. If you are volunteering, bring your volunteer letter requesting the RCMP to perform the check.
4. Know the full name of the business / organization and their address for the request form.
5. Allow time for the results. Depending on the type of check you are having done, the time may vary from a few days to a few weeks.
6. This is a great link for much more information [Criminal record checks | Royal Canadian Mounted Police \(rcmp-grc.gc.ca\)](https://www.rcmp-grc.gc.ca/criminal-record-checks)
7. If you have a question, feel free to call the detachment and the administrative staff will gladly answer any questions you may have.
