FOOTHILLS COUNTY POLICING

RCMP TURNER VALLEY DETACHMENT

Happy Holidays!

Now that Covid isolation is no longer required, we are able to get out and celebrate with our family and friends for the Holiday Season after 2 long years. Please celebrate responsibly, plan for a designated driver or stay where you are. Check online if there are any designated driver programs for your area.

While you are being a responsible driver, don't forget to drive with care and attention, especially on these icy snowy roads. Leave enough space between you and the vehicle in front of you to have time to brake.

Keep your property safe over the holidays.

Try to make your house look occupied if you are away. Have a friend or neighbor check on your home at various times of the day. Google Nest, Alexa and Siri can help make your house look lived in by setting various light timers, radio / TV / music on etc. If you have the capabilities, get a web cam and program which allows you to view your property while you are away. The regional telephone and cellular companies have great deals on home security with web cam streaming to your phone.

With the hectic rush of Christmas, take the time to keep your vehicle and contents safe. NEVER leave your vehicle unlocked, even for a short run into your post box. Especially be sure on these extremely cold mornings to lock your vehicle while getting it toasty warm for your trip to work.

One final note. The Turner Valley RCMP Detachment will be closed Monday December 26, 2022 and Tuesday December 27, 2022 for Christmas and Monday January 2, 2022 for the New Year. The non-emergency complaint line 403.933.4262 and 911 are always operational.

Happy Holidays and see you in the new year!
