Flare 'n' Derrick Community Hall

SOCAN & RE: SOUND Fees

Entandem is a not-for-profit organization created by RE: SOUND and SOCAN in 2019. It simplifies the licensing process for Canadian businesses or events that use recorded and/or live music. All events that use recorded music (DJ) or live entertainment (band) by law, must remit the following fees. The Flare n Derrick Community Hall charges the appropriate Entandem fees for all applicable events and remits payments to SOCAN/RE: SOUND directly.

For more information regarding SOCAN (Society of Composers, Authors, and Music Publishers of Canada) visit their website www.socan.com.

For more information regarding RE:SOUND, the Canadian not-for-profit music licensing company dedicated to obtaining fair compensation for artists and recording companies for their performance rights, visit their website www.resound.ca.
