## MAYOR'S MESSAGE

MAYOR BARRY CRANE

School's out for summer! Congratulations to all our students, teachers, and especially graduates for completing the school year. It's now time to kick back and enjoy that hard-earned summer vacation. For everyone, these long, warm days are perfect for relaxation and making wonderful memories.

The Town events staff are breathing a sigh of relief following several hugely successful events. Diamond Valley Discovery Day welcomed almost 5,000 people to all the activities. Canada Day was celebrated with a fun family pool party and amazing fireworks at the new location. Thank you to all the staff involved in organizing the five major public events hosted over the past two and a half months. And special appreciation is extended to the 60+ volunteers who make these events happen.

There is another big community event coming up on Sunday, July 28 - the second annual Diamond Valley Show and Shine put on by the Diamond Valley Car Club. Come out between 10am - 4pm to view the classic and unique vehicles, or show up with your own entry and \$20 at 8am to add your vehicle into the show.

All community groups are reminded to submit their requests for the Town to advertise their events well in advance of the date so our team has time to prepare the advertisements, [see the Town website for details](#).

Our bylaw and municipal enforcement officers will be out on the streets this summer offering Positive Action Tickets (PATs) to kids demonstrating safe and responsible practices, such as wearing helmets and obeying the rules of the road. Law-abiding kids could be rewarded with a PAT and a coupon for ice cream, courtesy of our program sponsor, Black Diamond DQ.

Did you know the Town has a place you can play tennis and offers free pickleball drop-in sessions during the summer? Come on down to the outdoor skating rink in Black Diamond where a tennis net is set up 7 days a week to enjoy tennis or pickleball, or pop into the Scott Seaman Sports Rink (SSSR) on Tuesdays and Wednesdays from 8am - 10pm. Private bookings are also available at other times for the SSSR through the website [www.diamondvalley.town/SSSR-Summer](https://www.diamondvalley.town/SSSR-Summer).

Have a fun-filled summer, and as always, be safe, be kind, and be courteous.

*Barry Crane*
