

## **2025 Seniors' Week Proclamation**

Seniors' Week is a time to recognize and celebrate the many contributions seniors make to our families, communities, and province. It is an important opportunity to show our appreciation for their wisdom, experience, and the vital role they play in building strong, resilient communities.

Our seniors provide an invaluable foundation for our community. We recognize that seniors have great capacity for using their lived experiences and acquired wisdom to guide and support others in many valuable ways.

The seniors of Diamond Valley are impressively engaged, active and resourceful and we are grateful to them for sharing their time and talent. We appreciate their efforts to build strong, caring communities and sincerely thank our seniors for all they do and who they are.

In honour of the seniors of this community, I, Mayor Barry Crane, do hereby declare June 2 – 8, 2025 to be Seniors' Week in the Town of Diamond Valley.
